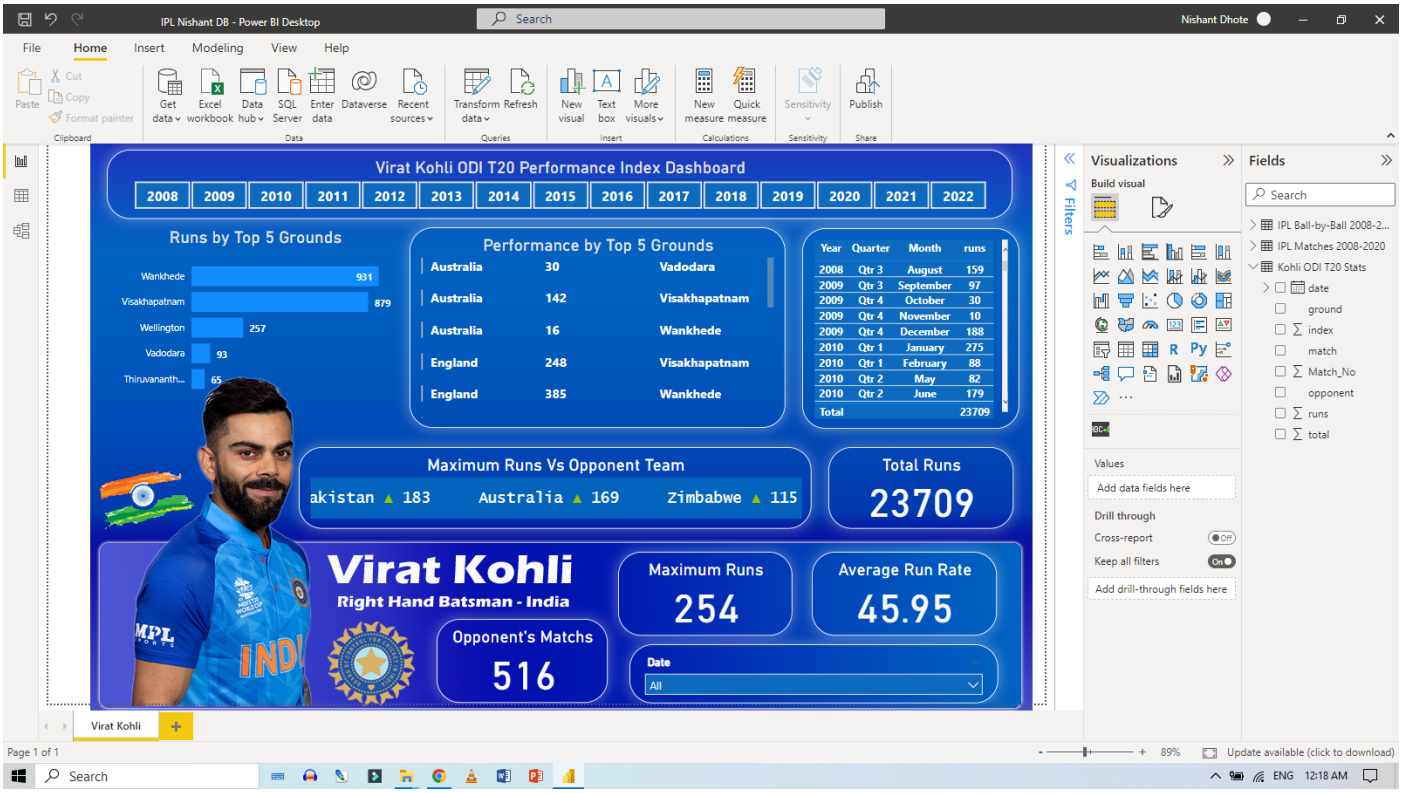
Virat Kohli ODI T20 Performance Index Dashboard

Download Dataset: https://www.kaggle.com/datasets/akashkotal/virat-kholi-testodit20-stat

Dashboard Output:



Problem 1: Analysis of Virat's top 5 ground performance in the year 2021?

Problem 2: Analyze Virat batting performance data and show great performance monthly and quarterly in the year 2018?

Problem 3: In which opposition team did Virat have the most top 5 batting performances in the year 2021?

Problem 4 : How many cricket matches did Virat play for India in the year 2017, 2018, 2019 & 2020 ?

Problem Statement 1: Analysis of Virat's top 5 ground performance in the year 2021?

Problem Output 1: Runs By Top 5 Grounds

ground	runs
Pune	129
TheOval	94
Southampton	57
Wankhede	36
Nottingham	0

Problem Statement2: Analyze Virat batting performance data and show great performance monthly and quarterly in the year 2018?

Problem Output 2: 2018 performance by Monthly & Quarterly

Year, Quarter, Month	runs
2018, Qtr 1, January	286
2018, Qtr 1, February	585
2018, Qtr 2, June	9
2018, Qtr 3, July	301
2018, Qtr 3, August	544
2018, Qtr 3, September	49
2018, Qtr 4, October	604
2018, Qtr 4, November	98
2018, Qtr 4, December	259
Total	**2735**

Problem Statement 3: In which opposition team did Virat have the most top 5 batting performances in the year 2021?

Problem Output 3: Maximum Runs Vs Opponent Team in Year 2021

opponent	Max of runs
England	80
Pakistan	57
NewZealand	44
SouthAfrica	35
Scotland	2

Problem Statement 4 : How many cricket matches did Virat play for India in the year 2017, 2018, 2019 & 2020 ?

Problem Output 4: Total number or Match in the year

2017 : Opponent's Match's 52
2018 : Opponent's Match's 47
2019 : Opponent's Match's 46
2020 : Opponent's Match's 24
